

A STEADY START TO THE *New Year*

BSMART NEWSLETTER - JANUARY 2026

Setting the pace

January isn't loud. It's the month where routines return, priorities sharpen, and small decisions start to add up again.

This is where everyday habits quietly take over, how you shop, how you plan, and how you stretch value a little further while the year is still finding its feet.

In this month's newsletter, we share what members have told us, what's coming next for bsmart, a few member-only extras from trusted partners like **IntegriSure**, **Tafelberg Furnishers** and **MedXpert**, as well as a couple of opportunities to take part and win.

Let's get into it.

What you **told us** -
and how it's **shaping 2026**

THANK YOU

For Your Feedback

Thank you to every bsmart member who took the time to complete our 2025 Member Satisfaction Survey, in both English and Afrikaans.

Your participation was strong, thoughtful, and incredibly valuable.

In the full blog on our website, we've shared a clear summary of what stood out most: what you value, what you rely on, and where you'd like to see more in future.

We've also outlined how your feedback is already guiding our priorities and planning for 2026.

Your honesty helps us make better decisions and build a membership that continues to support everyday life, from monthly budgeting to that much-anticipated bonus.

January shopping: what changes after the festive season

January shopping tends to be more deliberate. Budgets are tighter. Lists are shorter. Purchases are planned with a bit more care.

Many bsmart members naturally adjust how they shop at the start of the year. Not by spending less on essentials, but by being more intentional about where and how they spend.

Common January habits include:

- Using bsmart for groceries and everyday essentials first
- Combining loyalty cards at checkout to unlock the Better Price
- Planning fewer, more considered shopping trips
- Keeping the bsmart card for mid-month needs when cashflow is under pressure

Using your **bsmart card** in January helps stretch everyday spend a little further.

Where available, you get **the Better Price**, plus cashback on shopping you're already doing.

No new routines to learn.

No extra effort required.

Just consistent use of the card.

As the year gets underway, these small, practical habits often set the tone for the months ahead.

Competition Time: January Reset

What's your go-to January essential?

January shopping looks different for everyone.

For some, it's school stationery and uniforms. For others, it's groceries to stretch the budget. Maybe it's toiletries, pet food, or topping up the freezer.

We want to hear how bsmart members reset after the festive season, whether it's practical, planned, or just getting back on track.
